

Kathleen Connor, MPA

Kathleen Connor is recognized nationally as an expert in health information technology and policy. She has held policy and IT positions with the State of Washington Insurance Commissioner and Washington Medicaid. She is currently a co-chair on the HL7 Security and HL7 Financial Management work groups.

Ms. Connor has consulted on HIPAA with the U.S. Department of Health and Human Services, Office of Civil Rights, and Centers for Medicare and Medicaid Services. She has also provided privacy and security technical and policy expertise to ASPE, Office of the National Coordinator for Health Information Technology, Substance Abuse and Mental Health Services Administration, and the Department of Veterans Affairs.

In addition, Ms. Connor was a Microsoft Health Solutions group program manager for privacy, security, and standards compliance in support of Amalga and HealthVault.
